2025 Marks the 25<sup>th</sup> anniversary of Exotic Vet Care, and we are thrilled to be entering a new year with you. We are expanding our clinic to better serve all pets by adding a separate entrance and waiting areas to welcome dog and cat patients who need the incomparable diagnostic power of our Vimago Pico High-Definition CT scanner.

We look forward to our next quarter-century of service, and a new year full of health and healing with our amazing clients and patients!
