PRIMARY + SPECIALTY + EMERGENCY/URGENT CARE

National Pet Appreciation Month

Clearly, we love pets of all types, so this month we're featuring our staff's special little guys, gals, and holy terrors so you know you're not alone in spoiling your precious pets and tolerating their ridiculous behavior – we're all guilty! We hope you get a laugh from their antics and remind you to give your own pet some extra love this month! (As if you needed a reminder).

"Elmo" belongs to Emma

Favorite Thing: his little voice and how he participates in conversations.

Annoying Thing: he throws a tantrum when he doesn't get his way.

"Frank" belongs to Clara

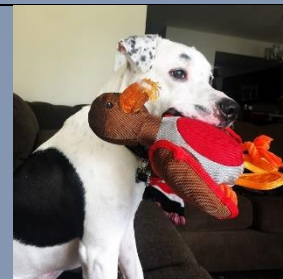

Favorite Thing: she knows exactly when I'm supposed to be home and greets me at the window so happy.

Annoying Thing: that she can't talk.

"Phineas" belongs to Kerry
Favorite Thing: when he tilts his head and makes the "cutie face".
Annoying Thing: he combs my hair with his claws to wake me up for breakfast an hour early.

"Luna" belongs to Destiny
Favorite Thing: she is so happy and always wanting to lick you or cuddle with you.
Annoying Thing: she stares at me anytime she needs something.

"Fig" belongs to Chandler
Favorite Thing: he can't resist a warm laundry pile.
Annoying Thing: he also can't resist eating my toilet paper.

"Wesley" belongs to Katie
Favorite Thing: he's always up for anything as long as he's with me.
Annoying Thing: he gets jealous if I give anything or anyone else attention.

"Talulah" belongs to Sharon
Favorite Thing: how patient and loving she is.
Annoying Thing: her cuteness makes me cry. Look at those soft wrinkles.

"Siouxsie" belongs to Jess
Favorite Thing: she lets me know it's playtime by tugging at my shirt.
Annoying Thing: she hates socks and bites my toes with no mercy if I wear them.
